

# Malaysia

## Special Advice for Malaysia Student Medical Examination (EMGS)

- Please bring Health Examination List on STAR data base in order to proceed with electronic medicals.
- Please bring previous vaccination records if any.

## Fees

Item	Fee in USD
Applicants aged 15 years and above	170

## Fees include:

- Physical examination including complete history taking and vital signs.
- Chest X-ray with additional views, if needed.
- All the blood and urine tests as per the requirement from EMGS.

## Fees do NOT include:

- Additional investigations or specialist referrals which may be required to establish or clarify a diagnosis.
- TB investigations and treatment if diagnosed positive for TB.

## Submission of documents on Electronic medicals:

Usually the submission online takes place within 72 hours.
