

IOM Nepal Annual Report 2023 outlines the organization's pivotal role in addressing diverse migration challenges and opportunities within the country. This comprehensive document highlights the main achievements obtained in 2023 across key programmatic areas, including Movement Assistance, Migration and Health, Migration and Development, Migration Governance, and Migration Environment Climate Change and Risk Reduction. It emphasizes IOM's strategic cooperation with the Government of Nepal in enhancing migration management and supporting Nepalese migrants, including in the context of environmental degradation, climate change and disasters. The report details the strategic initiatives and partnerships with relevant stakeholders that have bolstered the well-being and resilience of migrant communities and all people on the move. Moreover, a dedicated section provides an in-depth overview of IOM's prompt support to the communities affected by the earthquake that struck Karnali Province on 3 November 2023. This Annual Report underscores IOM Nepal's commitment to fostering safe, orderly, and regular migration, reflecting its continued dedication to promoting inclusive sustainable development and humanitarian assistance in Nepal.
